

Lesson plan

26 November 2009 Daisy field school Blackburn

This is the final week so anything not included this week cannot be in.

30 minutes

Show the rough finished picture

I WILL

Explain what we have to do to finish it.

Explain to the children what size it is going to be (75 foot long 5 foot wide
convert this to metres)

Ask if there is anything else that should go on.

Put the picture up on the wall and draw any extra elements and suggestions on

I WILL

Hand out Post it's and ask the children

- One thing you liked to see
- One thing you heard
- One thing you liked to do.

Children will

Children to come up and place the post it's on the picture where they think the words should go.

painting Brian to show photos of Northern Rail Livery

Children to discuss colours and shapes of the trains identifying what colours they have to use.

(We didn't do this on the day but if I was doing this again I would have used a simple outline such as the drawing below to discuss the shapes with the children)
